PRESS RELEASE NEW HEAD OF KESSLER ST. GALLEN BUSINESS UNIT

Zurich, January 7, 2019 – Eva Holenstein takes over as Head of the Kessler St. Gallen Business Unit with effect from January 1, 2019.

Kessler has appointed Eva Holenstein as the Regional Head of Kessler St. Gallen with effect from January 1, 2019. She joined Kessler on January 1, 2016 as an insurance line specialist. Prior to that, she worked at AXA for 12 years in various capacities, most recently as deputy head of the corporate customers broker center team in the non-life business unit. Eva Holenstein is a certified insurance economics expert and entered in the register of insurance intermediaries (Finma). She calls Eastern Switzerland her home and lives with her husband in Appenzellerland.

Christian Kessler, Managing Partner, wishes Eva Holenstein all the best and much enjoyment in her new position, adding: “In Eva Holenstein, we have found a young, motivated leader who will be fully committed to the satisfaction of our clients in the region and to the quality of our services.”

Eva Holenstein is taking over the position of Emmanuel Anrig, who is passing on his leadership role in the context of a long-term and foresightful handover due to age. We are pleased that Emmanuel Anrig will continue to serve his clients in the capacity of client executive. He has been working at Kessler for 13 years and during this time has helped to influence and shape our greatly expanded presence in Eastern Switzerland. The Executive Committee thanks Emmanuel Anrig for his very valuable service to the region and to Kessler’s clients.
