PRESS RELEASE

KESSLER & CO SA APPOINTS NEW HEAD OF BUSINESS UNIT FINANCIAL SERVICES

Lausanne, June 28, 2021 – Ziliante Mariotti has been appointed Head Financial Services of Kessler's French-speaking Switzerland team. He takes over from Sylvain Zuber, who has decided to pursue new professional challenges outside of the organization.

As a member of the Executive Staff and with 25 years' proven experience at Kessler, Ziliante Mariotti is highly respected professionally and personally. Holding a Diploma in Automotive Design and a Swiss Federal Certificate in Insurance, he started his career as an international broker at British insurance firm Sedgwick, which was later acquired by Marsh/Kessler. In his role as client executive, he successfully developed and maintained a large and loyal client base.

Ziliante Mariotti takes over the French-speaking Financial Services Unit, which also handles services and international and sporting organizations. Since 2020, Kessler's clients in French-speaking Switzerland have been structured around their economic sectors.

Bernard Perritaz, member of the Executive Committee and head of the French-speaking Switzerland area, said: "I would like to thank Sylvain Zuber for his 12 years of service at our firm. And, of course, I'd like to congratulate Ziliante Mariotti on his appointment and wish him every success in his new role. This internal promotion means that we can continue to benefit from Ziliante's extensive experience in this area – but it is our clients who will benefit most."
