New Head of the Industry & Life Sciences Business Unit Kessler French-speaking Switzerland

Lausanne, October 25 2023 – Angelo De Lucia has been appointed Head of the Industry & Life Sciences Business Unit effective October 1, 2023.

Angelo De Lucia has been appointed Head of the Industry & Life Sciences Business Unit with effect from October 1, 2023. He succeeds Thomas Koller, who tragically lost his life in an accident in the summer. Angelo De Lucia has gained over seven years of experience at Kessler. At the beginning he worked as a Personal Insurance Broker, later as a Client Executive for international clients. Most recently, he was part of the Industry & Life Sciences unit. He is Member of Senior Staff.

Prior to joining the Kessler team, Angelo De Lucia worked for several major insurance companies and in the luxury watchmaking industry. This gave him extensive experience in dealing with corporate clients, as well as in-depth knowledge of the industrial sector.

Angelo De Lucia is recognized and appreciated particularly for his professional and human qualities, as well as for his language skills. "This internal promotion means that we can continue to benefit from Angelo's extensive experience in this area – but it is our clients who will benefit most," said Bernard Perritaz, Member of the Executive Committee and responsible for the French-speaking Switzerland area.
